Dear Ms. Dunn,

The Association of Missouri Geologists (AMG) submits the enclosed cashiers check for the amount of \$1,000.00 as a donation to support the Missouri Ozark Dinosaur Project.

AMG members visited the Bollinger County Museum and had the privilege of a tour at the Missouri Ozark Dinosaur Site lead by Dr. Bruce Stinchcomb on October 6, 2006. At the AMG annual business meeting that evening, the members voted to donate \$1,000 of the AMG treasury funds to assist the Missouri Ozark Dinosaur Project.

On behalf of the AMG members and executive committee, I thank you for this opportunity and trust that you will manage the funds for direct support of the Missouri Ozark Dinosaur Project.

Sincerely,

Robert M. Rohlfs, Treasurer
Association of Missouri Geologists
